SUMMARY

Aspiring Full Stack Developer with hands-on experience in developing web applications using HTML, CSS, JavaScript, PHP, and MySQL. Skilled in building responsive UI, implementing backend logic, and working with databases. Looking for an opportunity to apply technical skills in a growth-oriented organization.

WORK EXPERIENCE

Web Development Intern, Intrainz

Sep 2025 - Nov 2025

- Learned and practiced deploying websites on Netlify, including build configuration and live hosting.
- Gained hands-on experience using Git & GitHub for version control, project updates and repository management.
- Improved understanding of modern web development workflow, including hosting, version control and project backups.

Web Development Intern, V2V EdTech Ltd.

Jun 2025 - Aug 2025

- Developed responsive web pages using HTML, CSS, JavaScript and Bootstrap.
- Led a team for developing the "Hotel Management System" project, co-ordinating tasks and guiding project workflow.
